Lexington's Ginnery.

Lexington is to have, at last, what she ought to have had years ago, a ginnery for the accommodation of the general public. The building is rapidly going up on the lot of Mr. Sam Roof on the branch in the rear of the residence of Mrs. Eugenia Hendrix, and will be, when completed, one of the most up-to-date and finest ginneries in the county. Who said Lexington was dead?

The Place to Get Bargains.

The firm of Wm. Platt & Son, Columbia, are now closing out their summer line of dry goods, notions, ladies' fancy dress goods, hats, shoes, &c., in order to have room for their large stock of fall goods, which will begin to arrive in the next week or two. Now is the time to get bargains, but if you want bargains, like you have never seen before, go to Wm. Platt & Son's store, Columbia, S. C.

School Days Near.

School days are near at hand again. A few more weeks and the little tots with their book satchels will be seen on the streets in droves going to and from the school houses. All summer long they have had a pic-nic; at least most of them have. Some are glad school days are here again; others are sorry. But all will be glad in after years that there were school days; many will regret that there were not more school days than there were. It is an inspiring sight—all these "Young Americans," full of life and young blood, starting out on the road to knowledge.

Miss Brown Will Return.

The many friends of Miss Anna Brown will be pleased to learn that she will again have charge of the millinery department at W. P. Roof's store. She will visit Baltimore within the next few weeks, where she will post herself on all the latest styles in ladies' headwear, and will arrive here in time for the opening season.
